

1. Preview the article "How to write a response paper" (resource in session1), then finish exercise 6 "Trying your hand" on page 46 of your textbook. Take a photo and send it to the activity titled as "Exercise 6 Trying your hand" (activity in session 1) Suggestion: While writing your reaction to those statements, please try to use the questions in the article as the guidance.
2. Preview the text titled as "Global Competence: The Knowledge and Skills Our Students Need" on page 48 of your textbook. Then finish activity 1 to 3 from page 49 to 51. Take a photo and send it to the activity titled as "Activity 1-3 of the text" (activity in session 1)
3. Finish reading Chapter 3 of the book titled as "Student Research and Report Writing From Topic Selection to the Complete Paper" (云班课-资源-全课), take down notes and send it to activity titled as "reading notes" in session 1
4. Then try to find an article titled as 'The Dishonesty of Honest People: A Theory of Self-Concept Maintenance (by NINA MAZAR, ON AMIR, and DAN ARIELY)' and send it to activity titled as "Find the article" (activity in session1)
5. Find your possible research topics and try to locate some relevant literature. Think carefully about the manageability of the topic and try to narrow it down to a specific point.

1. Watch the videos "IMRD- The Parts of a Research Paper" "The Nine Steps for doing Your Research Project" and take down notes, send your notes to 云班课-activity-Session2
2. Preview "Preparing Students for the Global Economy" on page 21 of your Work book. Then finish all the exercises from page 23 to 30 on the same book. Take photos and send them to the activity titled as "Exercises on the Work Book". (云班课-activity-Session2)
3. Individual work: hand in reading notes of at least 3 journal articles (two are English ones) to 云班课-activity-Session2. Make sure these articles are relevant to some extent to your research interests. As to the format of the reading notes, you can refer to student handbook.
4. Get ready for a two-minute personal presentation on the topic "My Research Interests". Your presentation should help us to understand the following points:
  - 1) What is your research topic?
  - 2) Why you think it is worth studying?
  - 3) What are the articles you have found about?
5. According to the IMRD structure introduced by the above-mentioned video, try to go over the article 'The Dishonesty of Honest People: A Theory of Self-Concept Maintenance'. Does this article follow the same pattern?

1. Try to analysis the structure of the scientific journal article "Dishonesty of Honest People" (resources-session2) on basis of the document "The Parts of Research Paper" (resources-session2), draw a mind map, and send it to activity titled as "IMRD of Dishonesty of Honest People" session 2. (Suggestion: go back to watch the video "IMRD- The Parts of a Research Paper" in this session).
2. Preview part 1 in unit 7 of 《卓越篇》(本单元已上传 Mosoteach, session3 资源), finish warming up activity1, 2 and 3; Take a photo and send it to the activity titled as "Activity 1-3 of Part1" (activity in session 3) (suggestion: better to print out the PDF document to read).
3. Preview the article **SAT Cheating Scandal in New York** (P76, unit 7) (蓝墨云, session3 资源) and then go on to finish activities 1 & 2. Take a photo and send it to the activity titled as "Activity 1-2 of Part2" (activity in session 3).
4. Watch the video "US-Students arrested in SAT cheating" (session3 资源), finish activity 1 to 3 on page 78 of (unit 7), take a photo and send it to the activity titled as "activity 1-3 of Viewing" (activity in session 3).
5. Be ready for the individual presentation task of the last week.

1. It's the time now for you and your group members to decide the topic of your project. Please find an occasion to have a group meeting. On basis of the discussion of your groups, please get ready for the following presentation:↵

Group presentation(5min): Your presentation is an introduction to the preliminary research topic you might have there. You should include the answers to the following questions in your presentation.↵

- 1) What interested you, What's your research topic↵
- 2) What made you think that your topic was worth researching into? Why you think this is a good topic to research? ↵
- 3) Please outline the purpose: Pure curiosity? Evaluating something? Developing your practice? Solving problems?↵
- 4) Did you find any background information to your research question? (The background will contain some common ground on which everyone can agree; it's the context within which your issue is seated)↵
- 5) Is this research doable? (ethical problems? Problems of access to needed information?)↵
- 6) Is it easy for you to find relevant literature? ↵
- 7) Send your PPT in advance to cloud class (activity-session4) ↵

2. Read "The structure of the Abstract" "Moves in Introduction" (Swales, 1990) (资源, session4 云班课) finish Task 1 on the reading material, then share the answers on activity entitled as "Moves in Introduction-Task 1" (activity-session4)↵

3. Can you try to analyze the structure of the abstract of the article "Dishonesty of Honest People" (resources-session2)? Please upload your analysis to activity entitled as "The Analysis of the Abstract" (activity-session4)↵

4. Reading the article "Why We Lie" and draw a mind map of this article. Please upload your mind up the activity entitled as "Mind Map of Why We Lie" (activity-session4)↵

1. Finish writing the "Research Statement" (group work, divide the job among group members, put the name of the writer next to the subheadings), send it to activity entitled as "Research Statement" (Activity in Session 5)↵

(Note: You can find the detailed direction of this writing task in the document "Research Statement" (云班课-资源-Session 5). ↵

2. Read once again the text "Why We lie", move on to finish activity 6-8 on page 87 to 89. Take a picture and send it to activity titled as "Exercises of the Text" (activity-session5)↵

3. Try to analyze the introduction of the article "Try It You Will Like It" (resources in session 6), send your answer to activity entitled as "Analysis of the Introduction of the Sample article" (activity in session 6) ↵

1. Preview the article "Excuses, Excuses" on your workbook (The pdf of unit 5 Promoting Honesty has been sent to resources in session 6), finish the exercises from page 45 to page 50. Take a photo and send it to the activity titled as "Exercises of Workbook" (activity-session6) ↵

2. Preview the material "What's A Literature Review" and "文献综述写作指南 Structure" (resources in session 6), take down notes and send to activity entitled as "Notes of Literature Review" (Activity in Session 6) ↵

1. Have a Group discussion on your collection of researches and try to prepare for a 7-minute oral presentation on "Our Review of Our Literature". Your literature review needs to fulfill the following requirements: the literature you have found should help to (N.B. Your presentation should cover at least 4 out of 7 of the following ones).
  - a. Clarify and define terms and key concepts used in the context of your study.
  - b. Set up a theoretical framework for your study and contrast perspectives, ideas, and approaches.
  - c. Recognize influential researchers and scholars and seminal studies that have shaped your field of study.
  - d. Refine the focus of your study or even modify the topic of your research.
  - e. Uncover methodologies and instrumentation that may help you design your own study and develop your data collection and analysis strategies.
  - f. Justify the significance of your investigation by establishing the importance of the issue your research is addressing.
  - g. Demonstrate how your research is linked to the studies reviewed and the existing body of knowledge.
2. Watch the video "Research Questions Hypothesis and Variables" (session 6-资源-云班课), take notes and send it to the activity in session 6-activity-云班课 on mosoteach.
3. Read the article "Dishonesty of Honest People" (session 6-资源-云班课), single out the hypotheses of this research, send your answer to Mosoteach (session 6-活动-云班课).
