

```
P_{1} = \overline{ABC}
P_{2} = A\overline{ABC}
P_{3} = B\overline{ABC}
P_{4} = C\overline{ABC}
P_{5} = \overline{P_{5} + P_{5}^{3} P_{4}} = \overline{ABC}(A+B+C) = ABC+\overline{A+B+C}
```

真硅。

F= A+B+C+ ABC
